Community Radio for the 10 Parishes 10radio.org

10Radio is the community radio station broadcasting on 105.3 FM from studios in Wiveliscombe, Somerset to listeners in the local Ten Parishes and to the local towns Wellington and Taunton as well as further afield via the internet to other countries.

10Radio is entirely owned, controlled and operated by members of the local community. We are supported by local businesses and receive some help from trusts and grant giving bodies. But the financial help of local people is vital to keep us going.

If you enjoy 10Radio and want to support our activities (which include not just broadcasting but training courses to help local people get involved and make their own programmes) you can help by becoming a 'Friend of 10Radio' and taking out a regular standing order.

Just £5 per month will help us cover the costs of training, licence fees, royalties, and staff and volunteer costs.

A monthly payment of £20 makes a considerable contribution to all of our running costs and helps us increase the amount of live programming that we broadcast.

To become a Friend of 10Radio please complete the form overleaf and return it to us at 10Radio CIC, The Base, Hartswell, Wiveliscombe, Somerset, TA4 2NE
