Our Father, which art in Heaven

Hallowed be Thy name
Thy kingdom come
Thy will be done on Earth, as it is in Heaven

Give us this day our daily bread,
and forgive us our debts
As we forgive our debtors
And lead us not into temptation,
but deliver us from evil
For Thine is the kingdom, and the power,
and the glory forever.
For Thine is the kingdom
And the power, and the glory forever
Amen

In the Bible, we are told
God gave Moses in the days of old
Ten great Commandments
For his people to hold true

But the greatest commandment of all
Is in the book of Luke, as I recall
Do unto others as you would have them do to you
Do unto others as you would have them do to you

Now if, baby, you don't believe
In the story of Adam and Eve
Who called upon science
To prove it's all untrue

But in the cold light of the day
Peaceable words still point the way
Do unto others as you would have them do to you
Do unto others as you would have them do to you

So just lift up your eyes
Don't pass by on the other side
Don't be bound by what you think others may do
Well, just a little bit of faith
And that's all it really takes
Do unto others as you would have them do to you

Musical interlude

Now the way the world is run
Too many people looking after number one
Don't seem to notice
The damage that they do

Though it's not widely understood
There is, there is a greater good
Do unto others as you would have them do to you
Do unto others as you would have them do to you

Come set Your rule and reign
In our hearts again
Increase in us we pray
Unveil why we're made
Come set our hearts ablaze with hope
Like wildfire in our very souls
Holy Spirit, come invade us now
We are Your Church
And we need Your power
In us

We seek Your kingdom first
We hunger and we thirst
Refuse to waste our lives
For You're our joy and prize
To see the captive hearts released
The hurt, the sick, the poor at peace
We lay down our lives for Heaven's cause
We are Your church
And we pray revive
This earth

Build Your kingdom here
Let the darkness fear
Show Your mighty hand
Heal our streets and land
Set Your church on fire
Win this nation back
Change the atmosphere
Build Your kingdom here
We pray

Unleash Your kingdom's power
Reaching the near and far
No force of hell can stop
Your beauty changing hearts
You made us for much more than this
Awake the kingdom seed in us
Fill us with the strength and love of Christ
We are Your church
We are the hope

On earth

Build Your kingdom here
Let the darkness fear
Show Your mighty hand
Heal our streets and land
Set Your church on fire
Win this nation back
Change the atmosphere
Build Your kingdom here
We pray

Musical interlude

Build Your kingdom here
Let the darkness fear
Show Your mighty hand
Heal our streets and land
Set Your church on fire
Win this nation back
Change the atmosphere
Build Your kingdom here
we pray .

There is love that moves a mountain
There is love that beats a drum
There is love that fights for justice
Knowing justice won't be done

There is love that goes to prison
Love that goes to war
There is love that rows a lifeboat
Towards some shining golden shore

And there is love that makes a cup of tea
Asks you how you're doing, and listens quietly
Slips you twenty dollars when your rent's behind
That's the kind of love I hope you find

There is love that shouts its name out loud
Love that builds a wall
But love that stoops to conquer
Isn't really love at all

It's an echo in the darkness
It's a well that can't be filled
It's an endless hall of mirrors
And it only sees itself

But there is **love that makes a cup of tea**
Love that loves both who you are
and who you want to be
Love that waits for you when you fall behind
That's the kind of love I hope you find
That's the kind of love I hope you find.

1. In Christ alone my hope is found,
He is my light, my strength, my song;
This Cornerstone, this solid Ground,
Firm through the fiercest drought and storm.
What heights of love, what depths of peace,
When fears are stilled, when strivings cease!
My Comforter, my All in All,
Here in the love of Christ I stand.

2. In Christ alone! – who took on flesh,
Fullness of God in helpless babe.
This gift of love and righteousness,
Scorned by the ones He came to save:
Till on that cross as Jesus died,
The wrath of God was satisfied –
For every sin on Him was laid;
Here in the death of Christ I live.

3. There in the ground His body lay,
Light of the world by darkness slain:
Then bursting forth in glorious day
Up from the grave He rose again!
And as He stands in victory
Sin's curse has lost its grip on me,
For I am His and He is mine –
Bought with the precious blood of Christ.

4. No guilt in life, no fear in death,
This is the power of Christ in me;
From life's first cry to final breath,
Jesus commands my destiny.
No power of hell, no scheme of man,
Can ever pluck me from His hand:
Till He returns or calls me home,
Here in the power of Christ I'll stand.

1. To God be the glory, great things he has done!

So loved he the world that he gave us his Son,
who yielded his life an atonement for sin,
and opened the life gate that all may go in.

Refrain:

*Praise the Lord, praise the Lord,
let the earth hear his voice!*

*Praise the Lord, praise the Lord,
let the people rejoice!*

*O come to the Father through Jesus the Son,
and give him the glory, great things he has done!*

2 O perfect redemption, the purchase of blood!

To every believer the promise of God;
the vilest offender who truly believes,
that moment from Jesus a pardon receives.

Refrain:

3 Great things he has taught us,
great things he has done,
and great our rejoicing through Jesus the Son;
but purer and higher and greater will be
our wonder, our rapture when Jesus we see.

Refrain: (X2)

Hagar

God is a God who sees
all my distress.

God is a God who comforts
when all alone.

God is a strong arm
on which to rely.

God is a God who knows
for He counts my tears.

God is a God who feels
so tenderly will carry.

God is a God who doesn't give up.

He picks the pieces
of my brokenness
gently shaping them,
refining them,
until they radiate
His glory.
